Tracy Acklin Reserved

Dear Tracy,

You and I both have come along way since September. I can remember when you just hated it over here, "there's no place like South end," but by the end of the football team you like DeVilbiss a little bit more. I'm sorry if I was impatient with you when you came to and were so much Libby. I should have realized since my sister came to DeVilbiss the same way without any friends. "only from Scott" and look what she has done in the four years at DeVilbiss. She came first a ways. Of course you know DeVilbiss is just about ½ of my life and I'll stick for her till my dieing day and I don't like people say ing about it.

May I give you some advice? When ever you go through a storm hold your head up high, and have hope in your heart. I can't think of the name of that song write now but I have more or less adopted that song for when ever I'm down it picks me up and gives me courage to go on. Really to have something like that helps

Dear Tracy
It sure was swell

Tales Of DeVilbiss

This year, 1955-1956, marks the twenty-fifth anniversary of our school. A quarter of a century is a length of time in which many events and people have passed through the halls of DeVilbiss. For this reason we have elected Chaucer's **Canterbury Tales** as our theme. Chaucer's caravan of pilgrims consisted of people with a variety of personalities and professions. At the suggestion of the host, they each told a tale befitting their character and experience in order to pass the time in their travel. DeVilbiss High School has also served as a host who has started many pilgrims in their travel through life. The school educated many in the various professions, found and developed hidden talents, encouraged and lauded athletic abilities, and molded good citizens. Each of the above pilgrims could certainly tell us interesting tales of DeVilbiss in the twenty-five years, but that would be an impossible task. We are fortunate, however, to have still in DeVilbiss people who have watched and helped the school acquire these many tales. They have graciously agreed to write a tale to introduce each section of the yearbook. In so doing, they will summarize the twenty-five years of progress at DeVilbiss High School. And now since Chaucer had a host, the jolly innkeeper in his **Canterbury Tales,** we, as co-editors, will act as hosts to the 1956 Pot O'Gold. We hope you enjoy your pilgrimage!

"To liven up the way by telling tales;
For certainly to ride along alone
In utter dumbness, silent as a stone,
Is not a bit of fun in pilgrimages."

From eight o'clock to almost nine o'clock we may see flocks of students heavily laden with books step off the buses and approach the doors of DHS. This marks the beginning of a typical day at our school.

A TYPICAL DAY . . .

Since school is primarily a place for learning, we find our students occupied most of the day with subject matter. Some seniors actually seem to enjoy physics, however puzzling it may seem to you.

Tracy,
It has been fun having you as one of my society sisters. Best of luck always.

Lunch time is a period of the day in which all the students take a rest from their books and meet with their friends. This year we have a big addition to the cafeteria which makes the luncheon hour even more enjoyable.

At last the three o'clock bell rings. Practically everyone makes a dash to his locker to get his wraps and books in time to catch the bus. This marks the end of a typical day at De-Vilbiss.

Tale Of Faculty

Twenty-five years! In these years since the Thomas A. DeVilbiss High School first opened its doors to admit a flood of pupils, our school has achieved widespread renown. Since the character of a school is molded by the quality of its instructional staff, without excellent teachers no school can achieve greatness. Our faculty has always included teachers who have been trained in the best universities and colleges. Many have traveled widely. Each year they participate in professional and community service organizations. Their counsel is sought in providing programs to help young people develop into responsible young adults. In no school will a community find a faculty more devoted to the welfare of pupils and their growth into effective citizens than the teachers in our school. We pay special honor to the teachers who have been with us for twenty-five years. Others have moved to make their homes in other communities where we wish them all success. Some of our teachers have retired and are enjoying the privileges that come to those who have spent a lifetime in the service of youth. A few have journeyed into the future from whence only memories return to remind us of the pleasant experiences we have had with them in the past. We look to the years ahead with confidence. We pray for a world-wide understanding of the needs of all people everywhere to live in a world where peace reigns and love rules as we move to the golden anniversary years ahead.

THOMAS A. DEVILBISS . . .

The beautiful building above shows no signs that a pest house once stood on the same grounds DeVilbiss now stands. The exchange of the seventeen acre site of the Isolation Hospital on Upton Avenue for twenty-seven acres of land along the Terminal Railroad between Central and Monroe, then owned by the Board of Education, was recommended by the Director of Public Service and the Director of Public Welfare. The hospital site was purchased from the city for $90,000. The adjoining ten acres to the hospital had already been purchased by the school board. The city reserved one corner of the lot for a new West End fire station. Under the terms of the sale, the city was to continue the operation of the hospital on the property until 1931. It was anticipated that the city would use the money received for the property to build a new contagious disease hospital, adjacent to the new county hospital on Detroit Avenue.

As the four hundred and fifty pupils of McKinley Junior High School, future DeVilbiss students, gathered for the ground-breaking ceremony, Mrs. Thomas DeVilbiss, widow of the Toledoan for whom the new school was named, lifted the first shovelful of earth. A few minutes later the heavy steam shovel had moved into place and work on the finest of Toledo's high schools had begun. Charles Meek, superintendent of Toledo schools, paid high tribute to the memory of Thomas DeVilbiss, Toledo business man and

. . . HIGH SCHOOL

humanitarian. He said that DeVilbiss's name should be an inspiration to the high ideals of the school.

Harriet Keeling, pupil in McKinley Junior High School, was chairman at the ground-breaking ceremony. Lee Miller, president of the junior high school student council, spoke of the joy of young people of the district who would be students in the new school.

DeVilbiss was opened in the fall of 1931 and cost about $1,358,647 including plumbing, heat and temperature, and electricity. This school, with its beautiful Norwegian maples, covers a total area of 1,098,442 square feet. The concrete walls are reinforced with steel frames weighing over 1,200 ton. The building, including courts, is faced on the exterior with brick and the slate roof is completely fireproof. The finished floors of the corridors, entrance lobbies, and entrance landings are of wire cut red tile. All finished stair work is of cast or wrought iron. The fire alarm system, public telephones and interphones, and the clock and program bell system were included at the time of the construction. DeVilbiss was also the second school in Toledo to have two gymnasiums. How fortunate the Board of Education was to secure the land upon which the wonderfully constructed DeVilbiss High School now stands!

ASSISTANT . . .

In the hearts of many DeVilbiss boys, a touch of deep admiration lingers for one man, their friend and counselor—Mr. Russell Brown. He is someone to whom they can take their problems and receive some kindly advice. As Counselor of Boys, he continues to give the same sound advice he had handed out as a Spanish teacher in DeVilbiss for thirteen years. Mr. Brown has always proved to be "un buen amigo." The boys of DeVilbiss will ever remember Mr. Brown's warm friendship, his personal interest in everything done for our school, and his belief in the goodness of youth. His firm but warm and friendly manner commands the admiration of every boy.

Russell G. C. Brown

Irvin C. Conrad

Whenever we have any problems that fall under the class of instruction and curriculum, we immediately consult Mr. Conrad, who supervises this part of the program at DeVilbiss. Some of his duties include arranging classes, adjusting schedules, and giving advice in essay contests and college scholarship tests. Mr. Conrad, former freshman coach and social studies teacher, has held this new position for only two years; however, in this short period of time, the students have received great benefits from his guidance in this particular field.

. . . PRINCIPALS

Robert E. Rettig

Much of the enviable reputation which DeVilbiss has among public high schools can be attributed to the tireless efforts of Mr. Rettig, Assistant Principal in charge of Student Activities. Mr. Rettig's fine standards and leadership ability combine to make certain that law and order are kept in the school. Since he believes that the school is the place where leadership is developed, he applies the philosophy of "learning by doing." It is through this philosophy and his liberal views that the members of the Student Council and of the entire school feel a definite responsibility toward themselves and the school.

Miss Pasch, always available for her wise advice, is well qualified by years of training and experience as Counselor of Girls. Her firmness and fairness have been greatly respected by all those seeking her counsel. She meets all our problems, whether personal adjustments or school matters, with patience and understanding. Her leadership and guidance have made her a vital part of DeVilbiss life. Miss Pasch, as shown by her attendance at many school affairs, has a wide interest in student activities. She is active in many professional organizations and has guided the work of the DeVilbiss chapter of the "Future Teachers of America" in its yearly activities.

Tale Of Classes

It is a long path, well worn by the feet of many DeVilbiss students, that leads to 1956. This path was broken by the toil of young men and women, now well-established and well-known as doctors, teachers, wives, preachers, fathers, business men and women, husbands, lawyers, nurses, mothers, engineers, artists, and in all the crafts and trades. Along the path all is not roses; for there are, too, evidences of sorrow, frustration, and tragedy. The early pilgrims must have found this path worthwhile, for they still walk with us. This time, however, they see that Junior doesn't get caught in the thickets and brambles which may have changed, but certainly haven't decreased since Father and Mother helped one another through the cross-currents and over the hurdles which beset this sojourn. The maintenance crew (Faculty) have regularly bemoaned the departure of this and that outstanding graduate and wondered if his place could ever be taken successfully by younger pilgrims. Sometimes the Crew have laid down their picks and shovels to catch their breath as someone left us who had found the straight path hard. But the path leads on, and the pilgrims, never ending. Rugged heights, level stretches, deep ravines, and new thickets and brambles will produce in DeVilbiss High School new leaders and good citizens equal to new problems and challenges of a world that sorely needs new vision, training, and faith.

DEVILBISS WILL COLLECT MORE MEMORIES . . .

Leaving home? No, this Senior Miss is just packing for the class trip to **New York.**

Miss Elaine Hirth teaches interested students the art of writing in the new course, Composition.

Important decisions concerning the future are solved in this college room.

Entertainment at Dad's and Daughter's Date displayed the phases of a girl's life.

. . . THE SENIORS WILL REMEMBER DEVILBISS.

Bob Fessler and Martha Curtis in the year 2006 A.D., recall memories of the Class of '56 as they leaf through the pages of the Pot O'Gold. Gray-haired and dependent on the rocking chair, they still can skip through the halls of DeVilbiss via the Pot O'Gold.

JUNIORS

Officers: (L. to R.): Joyce Burkett, vice-president; Dave Stone, president; Dee Heywood, secretary; Sandra Middlesworth, treasurer.

Upper classmen at last! During the first few weeks of school there was the hustle and bustle of Junior Class elections. The banners, speeches, and other campaign propaganda came to a climax with the election of fine and capable officers. "Lullaby of Birdland" was the theme of the J-Hop. Next the annual class play "Our Hearts Were Young and Gay," was presented. In April a large number of Juniors boarded the train for the yearly trip to Washington, D. C., and in May, the boys honored their mothers with the Junior Boys' Mothers' Tea.

The Juniors brought their year to a close by giving for the graduating class the semi-formal dance the "Junior-Senior Farewell." With understanding advisers to guide the class, capable officers to lead them, and the class as a whole for support, the Juniors were able to make this an unforgettable year.

After electing their advisers, Miss Schmidt and Mr. Leininger, they began plans for the annual Sophomore Dance, "Rhythm in Raindrops" held in April. Not only did the Sophomores support their own successful event, but they also contributed to all other school activities. With their active participation, the Class of '58 has already proved to be a class of leaders.

FRESHMEN

Class Advisers: Mr. Russell Brown, Miss Ursula Schmidt.

The DeVilbiss High School Freshman Class has established itself as one of adept scholastic ability as a result of its representation on the school Honor Roll. They were off to an influential start by becoming active members of committees, commissions, and clubs. Their presence at athletic events and their overwhelming enthusiasm helped support all other school events. They also displayed initiative and ability of leadership in Revelries, Deviltries, and Froshmores. We know that the seven hundred Freshmen, the class of '59, with their experiences in leadership, and their ability and initiative will enable them to become one of the most outstanding classes at DeVilbiss.

Mr. Pollman conducts freshman orientation class.

CLASS ACTIVITIES

Not only do we see DeVilbiss students seated in their classrooms, but we also see them engaged in many other activities. Familiar sights at DeVilbiss High include the following scenes: library research work, dances, plays, morning announcements, the magazine drive, and the last farewell to the school at three o'clock.

Complete concentration in the library.

It was a lucky lass who was invited to the student council dance.

Tale Of Student Life

This is one part of a story—a story of those events which develop and mold a high school and its people. There can be no more appropriate subject to treat initially in the realm of student activities than that organization which represents the student body. A Student Council can offer a training ground for leadership, an organization for character building, and a laboratory of citizenship. Above all, the Student Council represents an ideal held supreme by all free people—the ideal of democracy. Through the years the DeVilbiss Student Council has not only contributed many things to the school but has also promoted fine inter-scholastic relations, student-faculty co-operation, and the general betterment of the school. In this twenty-fifth year, DeVilbiss will be host to the National Conference of the National Association of Student Councils. DeVilbiss has ever been proud of its publications. The Prism "breaks school life into colorful news." "At the end of the rainbow" —there you will find the DeVilbiss Pot O'Gold. The need of stage curtains and athletic equipment led to the birth of a variety show known as Deviltries, produced annually as a result of the initiative of youth. DeVilbiss is also proud of its excellent choirs and its band. DeVilbiss stands as a monument to her people—administrators, teachers, and students. All have contributed to these halls and walls, steps and stairs that we call DeVilbiss.

Ronald Gregg

President of Student Council

"A learned man, at least he sounded so;
In jurisprudence wise; knew all the laws:
A busier man than he you'd find nowhere,
Yet he seemed busier than he was, I'd swear."

Student Activities

For twenty-five years DeVilbiss has had an excellent Student Council. Because DeVilbiss was a new school, bound by no traditions, the governing body had a good opportunity, first to make experiments and then to inaugurate a new form of student government. The experiment has been successful, for the Student Council at DeVilbiss is not just a name, but an active organization. Robert Metzler, the first Student Council president, appointed the eleven Commissions as follows: Athletics, Clerk of the Board, Finance, Justice, Organizations, Publications, Publicity, Scholarship, Service, Social Welfare, and Welfare. Since 1931, the Scholarship Commission has been discontinued and the following have been added: Assemblies, Awards, Student Activities, School Service, and National Service. The Student Council in its first year selected school colors, organized clubs, provided for hall patrols, and started intra-mural athletics for the pupils unable to qualify for varsity teams. Through the years that followed, the Student Council continued to serve faithfully in its attempt to better DeVilbiss for the students and faculty. It has encouraged and introduced policies having as their objective the improvement of the school. When the ensuing years brought unforeseen problems the Student Council took the initiative in meeting and solving them. Their policy then, of placing the interest of the school above others, has continued until the present. Among the activities this year, was the holding of a workshop for all homeroom representatives to orient them with the aims and procedures of the Student Council. The Student Council completely revised their constitution and reorganized the disciplining system. A fitting climax to the Student Council's work was the selection of DeVilbiss for the meeting of the National Student Council Convention to be held in June in which representatives from all parts of the nation will meet and discuss the functions of student government in the high school. Student government has established itself as a vital part of the high school program. Democracy in miniature is employed and enforced through the function of the representative Student Council. It is essential as a link between the student body and the administration and faculty. In its silver anniversary the Student Council can look back to years of trial and triumph—in the future it can look to years of continued achievement.

POT O'GOLD

(L. to R.): Sally Bush, Janet Zucker, Mary Ann Lindsey.

Located in a corner of DeVilbiss is a large room labeled the Pot O'Gold. In this room one is certain to hear many noises marking the confusion and tribulations in planning and publishing a yearbook. Janet Zucker, Co-editor, with her staff consisting of Julie Baker, Sandra Jones, Diane Hamilton, Nancy Parks, and Judy Elwell, was in charge of the literary work, faculty and administration, and the anniversary section. Sally Bush, Co-editor, had a staff consisting of the following: Nancy Carr, Judy Wheeler, Judy Weigand, Carol McKechnie, Lee Strader and Pat Dailey. This section of the staff managed the classes. Mary Ann Lindsey, Co-editor, along with Ann Cofer, John Wiseley, Linda Miley, and Dick Will took care of organizations, student life and girls' and boys' athletics. Sybil Sharpe, Business Manager, had the following assistants: Jane Klinck, Julie Cole, Ned Burkhalter, Bart Burkhalter and Dick Alexander. Judy Wheeler did the art work for the yearbook. Peter Bauer and Harris Schiller, panel editors, Margie Miller, typist, and Paul Valliquette and Linda Rittenhouse photographers, completed the Pot O'Gold staff.

POT O'GOLD

Can you imagine purchasing the Pot O'Gold in sections instead of in a volume form? Well, that was the manner in which the first issues of the Pot O'Gold were sold in 1933. Thus each student could purchase the section that he most desired. Under the supervision of the advisers, Miss Rose Bloom, Miss Florence Cooper, Mr. Louis Mathias, Miss Ruth Smith, Miss Mildred Pasch and Mr. Norman Stalker yearbook standards have been set which will be difficult to surpass. The first book used for its theme "DeVilbiss" and it consisted of many pictures of the school plus those of the students and clubs. During the Pot O'Gold's second year, the Student Council undertook the annual as a major project and subscriptions were secured through the Student Council representatives. Although the Pot O'Gold has changed considerably from 1933 to the present, the same hard work and energy goes into the publication, for annuals are not made in a day. The staff keeps busy all year taking care of subscription soliciting in the homerooms, taking photographs, and all the other nameless tasks necessary to turn out a publication. Thus, the staff and the advisers, Miss Elizabeth Papps and Mr. Stalker, have composed a yearbook they can be proud of and one that fulfills the aim of the publication—"the boosting of DeVilbiss High School." Success or failure depends to a certain extent upon the editors. The Pot O'Gold would like to pay tribute to the editors who through the years have established it as an outstanding yearbook.

THE PRISM

With the opening of school in 1931 came the first copies of the Prism, the paper that "breaks school life into colorful news." Under the capable and efficient adviser, Miss Elaine Hirth, the publication won many class honor ratings. During this first year the various departments of the paper were started which still function today. In the fourth year of its existence, the editions of the paper were printed in our own school. Also, the staff sponsored the DeVilbiss chapter of the Quill and Scroll, an honorary journalistic society. In the same year, Miss Bloom and a committee for the Prism staff visited the governor and were successful in having Upton Avenue widened and paved. During the war the Prism staff printed a literary supplement and an issue in tribute to the DeVilbiss boys serving in the armed forces. The combined business and literary staffs organized a very successful war bond drive to buy sixteen jeeps. The Prism continues to be a well-edited and interesting school paper which the students anticipate reading every two weeks. Much credit is due to the two faculty advisers, Miss Rose Bloom and Miss Elaine Hirth. The advisers have aided the staffs of the Prism through the twenty-five successful years of bringing the prominent and recent occurences of school events to the students themselves. The Prism has established itself as a necessary part of the DeVilbiss school year. We honor, therefore, the past editors who have helped achieve this goal.

MAJORETTES

We all have seen the DeVilbiss band on parade rhythmically led by eight lively, lovely majorettes dressed in their sparkling uniforms, who tempt the onlookers to join in the marching. The Rockettes of New York have nothing on our Majorettes when it comes to precision dancing and marching, as the shows at half-time have proved. Not only do they perform the intricate steps during the half-time, but they also wear costumes based on the theme of that week's performance which they make themselves. Their designs range from simple pinafores to very elaborate creations. Marching season begins two weeks before school opens. At this time the girls learn the standard routines. Each Monday thereafter, the girls work out a special routine for the new show to be given at the next game. In addition the Majorettes ushered at several band concerts, and marched in parades. They performed at school mass meetings and proved excellent hostesses when they entertained the majorettes from Charleston.

BAND

Strike up the Band! And here they come—the DeVilbiss High School marching band consisting of eighty-five members decked out in their black and orange uniforms with white spats. This band, starting with fifty-one members, was founded in 1931, when the school opened, under the direction of Mr. Guy V. Sutphen. Mr. Sutphen wrote the "DeVilbiss Marching Song" and the Alma Mater. Mr. Henry Page donated the first uniforms. They were replaced in 1941 and again in 1954. The band performed many unusual and entertaining shows before football games and during half time in the fall. They also enlivened the school spirit by playing at pep meetings. The football game performances, pep meetings, parades, and concert entertainment were all under the most able leadership of Mr. Jack Tongring, who has been the band leader since 1953.

A CAPPELLA CHOIR

Do—Re—Me—Fa - - - - these are the sounds you are likely to hear if you venture too near room M-1. This is where our famous A Cappella Choir practices. However, they haven't always "had it so good." When the A Cappella Choir was first organized by Mr. J. Philip Zaugg in the fall of 1944, the twenty-two members used the stage during lunch and homeroom periods to do their practicing. This year the choir consisted of seventy-two members who gave performances before the National Convention of Music Teachers, the State Physical Education Convention, and the Area Federal Teachers Convention. According to custom, they participated in the Area High School Choral Festival at the Art Museum, the school Mid-Winter concert, Deviltries, and the Baccalaureate Service.

CHEERLEADERS

The seven varsity cheerleaders who were chosen in the spring by the student body practiced all summer to perfect their routines. In September, freshmen were invited to try out and nine were picked to be the lightweight cheerleaders during the basketball season. Projects and accomplishments of this year's cheerleaders were obtaining a membership in the National Association of Cheerleaders, getting new uniforms, revising motions for four cheers, creating five new cheers, and painting the DeVilbiss Tiger. To promote good will and to further the cause of good sportsmanship during all athletic events they sent cokes to the cheerleaders of the opposing team during halftime and they held a slumber party for the visiting Charleston cheerleaders. Cheerleaders are important to a school for they stimulate into open expression the enthusiastic feelings of the student body. They serve as a link between the players on the team and the spectators in the cheering section. Not only do they stir the school spirit of the students, but by so doing they also inspire the players to go forth and win.

DEVILTRIES . . .

TWENTY-THIRD PRODUCTION

It was called "Fantasy in Rhythm." It was a story of a journey made by four children from home to a witch's cave, then to fairyland, and home again. This was the theme of the 1956 Deviltries. The hard work of the whole cast, of the committees, of the student directors, and of Mr. Norman Pollman helped to make this an excellent production. For twenty-three years Deviltries has been a part of student life. In 1932, the first year of the school, the board could not send DeVilbiss money for the necessary equipment because of the depression. Therefore, there were no pianos, no curtains and drapes, no movie projectors, and no public address system. During 1932 the need for funds brought forth the idea of a money-making carnival. It was in 1933 that Mr. Louis Mathias suggested a talent show, the Deviltries, as a means to raise money. Since it was such a success, it was made an annual affair. "You will always remember DeVilbiss" was the theme Mr. Louis Mathias used for his annual productions. While he was in the service, Mrs. Carrie Whaley directed the Deviltries. It was just a few days before the 1947 production that Mrs. Carrie Whaley was killed in an automobile accident leaving the choral number, "Preludes to Eternity" as a memorial. Miss Frances Griffin was the next adviser of Deviltries. We shall never forget the excellent performances done during her reign as a Deviltries producer. Of course we must not forget our present adviser, Mr. Norman Pollman, who, with patience, understanding, and knowledge of talent shows, has been a favorite among the students. The Deviltries production is an extravaganza written, produced, directed, and publicized entirely by students. Many of the cast members from our DeVilbiss performances have gone into the field of entertainment for a career. It is a hard piece of work with many weeks of rehearsals. However, on the last night of Deviltries, everyone receives the satisfaction of a piece of work well done. Tears and joys, and happy times and friendships are all part of the wonderful annual productions called Deviltries.

WE HONOR OUR PAST DIRECTORS

Mr. Louis Mathias

November twenty-first, 1947, proved to be a sad day for DeVilbiss; for it was on this day that Mr. Louis Mathias died. As a faculty member and director of extra-curricular activities, he was known to all as a man who put everything he had into DeVilbiss. Louis Mathias had a vital part to play and he played it with enthusiasm. He had experienced the thrills of sport, in which he was a champion, of travel, of teaching, of playwriting and acting, of club leadership, of service to his nation, of friendship and the esteem of his fellow-being. It was a full life, a life rich in labor and service. From the days before the school opened until his death, he worked for DeVilbiss. Mr. Mathias originated and directed the Deviltries. "You will always remember DeVilbiss" was the theme he used for the annual productions. He led the Student Council, taught chemistry, guided activities, and taught everyday living. His office was the clearing house for problems and questions. While Louis Mathias served as Lieutenant-Commander in the Navy, DeVilbiss anticipated his return. In the fall of 1947 the wish was fulfilled. Again his figure became familiar in the halls of DeVilbiss. His spirit still lives. We will always remember Louis Mathias as he remembered DeVilbiss.

Mrs. Carrie Whaley

Interested and animated, blue eyes sparkling and lips smiling, Mrs. Whaley put the final touches on Scene IV of the 1947 Deviltries. She loved this scene where, earth left behind, the space ship soared into the highest heavens. The music must soar too and she had planned it that way, fitting into her scheme the finest and best of all. At the end because of its message as well as its beauty, she had put the lovely choral number, "Preludes to Eternity." Lights, scenery, music—all were arranged now. Then she stepped out into twilight, tired but satisfied. "It's going to be good," she said. A few hours later she herself had slipped into eternity leaving Scene IV as a memorial that seemed almost foreordained. The song was to be the climax of an unusual scene. The scene was the climax of a great show; the show was the climax of a gracious and vital life for which it truly was a "prelude to eternity." But for those of us who knew and loved her, for a long time to come, Carrie Whaley will stand in the wings, and walk the halls, interested and animated, blue eyes sparkling and lips smiling, putting the final touches on some of the innumerable things she was always doing for DeVilbiss.

Tale Of Organizations

"When two bells ring, during activities hour on Friday, all students will attend club meetings. This will be the regular procedure for the rest of the year." Ding, dong, ding. This was the DeVilbiss High School club program introduced in 1932. Attendance was no problem since every student was enrolled in a club and attended its meetings. To provide for the interests of the students, clubs were offered in a wide variety of categories. Literary, language, and social organizations flourished. However, there was even a "Relaxing Club" for those who felt the need of developing this art. The Peries, Phils, and Zets were very popular as were two Camera Clubs and a Music Club. That year and in the days that followed (long after the meetings during school hours were abolished), students flocked to homes for gatherings of such groups as Science, Art Guild, Boosters, and Pioneer Rifle Clubs. Sorelles and Altae Pullae were two very active social groups. To match the boys' Hi-Y Clubs, the girls enrolled in Friendship Groups. The members of the N.E.W.S. Club published the "Compass," and the Scribblers published a magazine complete with art work. Mostly, clubs met for companionship and academic activities. They early demonstrated their interests in giving service and in helping others. Thus, they were paving the way for the unprecedented leadership that service organizations have displayed these past ten years.

"To cordinate the activities of all school clubs, to aid clubs in achieving their purposes, and to enrich school life through a well-planned and well-organized club program—these are the purposes of the Inter-Club Council. The Inter-Club Council consists of one elected representative from each club and an I.C.C. Executive Committee has recently been established. Executive Committee members, in addition to the officers, this year were Mike Wahl and Jerry Howard. The Year's activities started with the annual Inter-Club Tea in September. At Christmas, the Little Brown Jug award was again given to the club designing the best decoration. Other projects of the Council included a workshop for club officers, a tea for club presidents, and the annual I.C.C. Banquet, which culminated the Year's activities. The Council also discussed establishing a scholastic award, revised the rules governing clubs, and held information meetings for prospective club members. As in the past,

NATIONAL HONOR SOCIETY

The Thomas A. DeVilbiss chapter of the National Honor Society is a body in which membership is valued highly. In order to become a member a student must have achieved good scholarship as evidenced by his grades; good character shown in his attitude toward school work and in his relations with others; leadership ability reflected by his school activities and service as shown by his willingness to help others and also himself in becoming better citizens. Outstanding students of the Junior and Senior classes are selected by the faculty to become members of the Honor Society and new members are inducted formally in a ceremony in the auditorium. The purpose of the Society is to recognize and promote good scholarship throughout the school. Late this year the club elected as its officers: Harris Schiller, President; Julie Baker, Vice-President; and Barbara Sunderman, Secretary. These officers and Mr. David A. Voss, Adviser, faced the task of building the club into an active body. It is hoped that the Honor Society will provide an incentive for students of DeVilbiss High School to improve their work and distinguish themselves scholastically.

The Future Teachers Club, under the leadership of President, Mary Lou Luedtke, and the advisers, Miss Mildred Pasch, Mrs. Richard Luedtke and Mrs. E. D. Swan, meet on the first and third Monday in Room 126. The purpose of the club is to enable its members to study and identify the qualities, traits, and aptitudes which are basic to successful teaching; to acquire an understanding of the history and development of our public schools, and an appreciation of the contributions they have made to our democratic and free society; to secure accurate information on vocational opportunities in education; to aid in self evaluations and to participate in prevocational activities which are both exploratory and developmental in nature. They study college catalogues, members report on college requirements and scholarship opportunities. Speakers include members of our faculty, student teachers, and former members of FTA who are now teaching.

FUTURE NURSES

Do you want to become a nurse? If you are interested in the nursing profession and have a "C" average, then you would certainly want to become a member of the Future Nurses' Club. The DeVilbiss chapter of the club was organized in 1949 by the area Future Nurses' Clubs and by the Future Nurses of America. Under the guidance of their advisers, Miss Faye Miller and Mrs. Gladfelter, they made favors for the Marigard Home, adopted a family to which they sent baskets and presents, and gave a bake sale to raise funds for their treasury. Tours through the various hospitals, attending the school plays, group Christmas caroling and a talent show at the State Hospital were also included in the activities enjoyed by the club this year. The girls held their meetings in the nurse's office or in the members' homes on Monday nights to plan their social and service projects. Under the capable leadership of their president, Elaine Gladfelter, this club has done a fine job in helping people who are interested in the field of nursing.

LA ALIANZA

If a visitor were present at a meeting of La Alianza Spanish Club, he might find that he couldn't understand the language; for all of the meetings of this club are conducted in Spanish. Organized in 1948, La Alianza, a member of the Student Pan American League, has brought together many students of Spanish who want to obtain a better understanding of the language and customs of the Spanish-speaking countries. This club has tried to live up to the honor it received last year as the "Outstanding Special Interest Club." Included in its programs were the showing of movies on Spanish dancing and pottery making, and speakers, such as Miss Ursula Schmidt, who showed her slides on Mexico, and Mrs. Gutchess, who told the club about the educational system of Mexico. Contributing a Christmas basket and a scholarship for a Latin American student were their service projects. Their social functions included a progressive dinner and the annual fiesta of La Alianza brought to the end a fine year's program.

CHARLEMOS

Officers: Pat Weeber, Vice President; Nancy Voltz, ICC Representative; Carol Emery, President; Judy Wandtke, Treasurer; Margie Green, Secretary.

Charlemos Spanish Club was organized in 1950 with the purpose of better acquainting its members with the culture and customs of the Spanish-speaking peoples of the world. To qualify for membership, a student must have completed either one year of Spanish or one semester with an "A" average. At each meeting, held on the first and third Wednesday of the month in the members' homes, the program is devoted to the study of one South American country and supplemented by slides, movies, and speakers. Through the Pan American Union, Charlemos also cared for a Mexican family on special occasions, and sent gift packages of fundamental education booklets. A grateful reply was received from a teacher in Panama. A program of Spanish songs and dances was given at the Lutheran Old Folks' Home, and at the one-hundreth anniversary of St. Anthony's Orphanage. Other projects were the purchasing of flags for the classroom, giving a party for Mexican children, and holding a Spanish Fiesta in the spring.

LOS GAUCHOS

Los Gauchos, the famous cowboys of Argentina, have a namesake in this newly organized Spanish club for boys. The club was formed to further the interest of the members in the music, history, and folklore of that country. To become members the boys must have completed one or more years in the Spanish department or one semester with an "A" average. The adviser of the club, Miss Ursula Schmidt, installed the officers, who in turn inducted the thirty-five charter members. Activities for the year included raising money to send educational literature to combat illiteracy in South America, a Christmas party with Charlemos, and a Pan American Day program. The club has helped its members by creating further interest in Spanish customs and ideas. The members, meeting the second Wednesday of every school month in their homes, have concluded a most successful and rewarding year with the help of John Dresser, their able President. Bigger and better plans are certain to be formed for the future of this new club.

Officers: Jay Wanamaker, Treasurer; Diane Hamilton, Secretary; Bonnie Kurth, ICC Representative; Richard Swain, President; Mary Ann Diemer, Vice-President.

Der Deutsche Verein, one of DeVilbiss's newest clubs, has been busy planning an exciting schedule. A Christmas party with Woodward's German Club was one of the major events this year. Movies, speakers, and plays were also on the agenda. The purpose of the club is to learn more about German culture and gain more skill in using the German language. Under the able leadership of the Adviser Miss Alice Gerding, the meetings are conducted entirely in German. People passing Room 103 might hear "Wie geht es Ihnen?", How are you?". The only qualification for membership is to be or to have been a student of German. The club was originated many years ago in DeVilbiss and was reorganized again this year. The meetings, held the second and fourth Wednesday of each month, open and close with some gay seasonal German music. It is an organization such as this that inspires better understanding and world friendship.

ENGINEERING

Students with an interest in math and science are encouraged to join the DeVilbiss Engineering Society. Meetings are held one evening a month in members' homes. On their field trips, which are scheduled for each month, members have an opportunity to observe industry in action and to become acquainted with the various branches of engineering connected with these industries such as: electrical, chemical, civil, mechanical, and metallurgical. So far this year, interested members have been conducted through Willys-Overland and Doehler-Jarvis. Other programs for the year include demonstrations and displays by members, films concerning engineering, speakers from the various industries, and participation in the engineering exposition at Michigan State. Only in its third year of organization, the Engineering Society welcomes sophomore, junior, and senior students with a "B" average in math and no lower than a "C" in English. Miss Samsen, Adviser, gives enthusiastic support to club projects and at meetings.

STAMP AND COIN

Do you have a mania for stamps or coin collecting? Then, the Stamp and Coin Club is for you. Organized in 1953, the purpose of this club is to promote interest in stamp and coin collecting both as a relaxing hobby and as an aid to education in stamps and coins. The club held its meetings in Room 118 on the first and third Wednesday of each school month. Various talks have been given by guest speakers such as their President, Allan Severn, club members, and Mr. David O. Voss, their Adviser. Several members have gained recognition and won prizes in area and national exhibitions. The club learned much about the history of this country and others revealed by stamps and coins. Also the club agreed that membership in the Stamp and Coin Club has helped them to learn each other's viewpoints and ideas on how to collect stamps and coins and has given them many enjoyable hours with their fellow collectors.

CHESS

At five minutes after three o'clock on the second and fourth Tuesday of each school month in Room 118, the DeVilbiss Chess Club comes to order. Under the leadership of Mr. Davis Voss, as well as its President, Tom Lentz, the club has had many interesting and informative meetings. At these meetings the members play chess with each other on a competitive basis. Tournaments were held with chess clubs of other schools with the top players competing. The club, which teaches and improves the members' skill in the ancient game, is one of the oldest organizations at DeVilbiss. The 1955-56 Chess Club's projects were a food basket at Christmas and the distribution of chess sets to a veteran's hospital. The game of Chess, which sharpens the mind in thinking, is believed by most people to be extremely complicated and difficult to learn, but at these meetings everyone can see that just the opposite holds true. The club firmly believes that anyone interested would like the challenging game that Chess offers very much, because they certainly do!

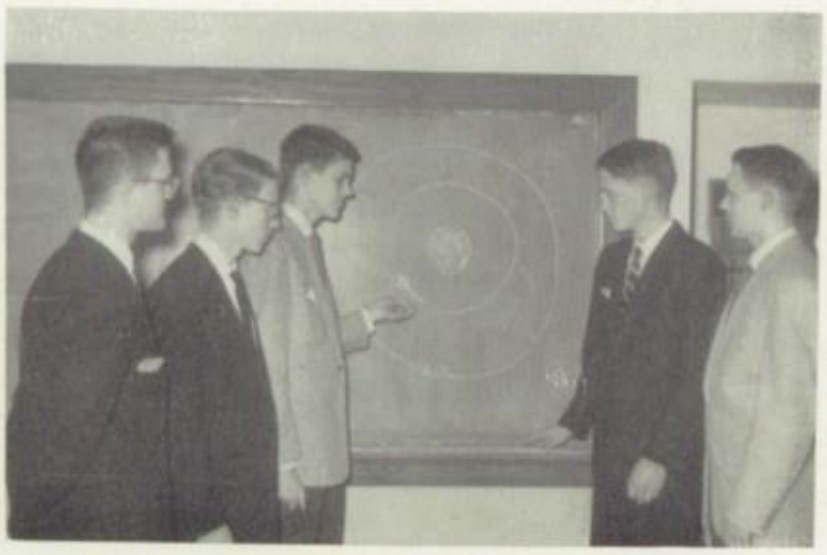
ASTRONOMY



Officers: James Mielke, President; Tom Lentz, Treasurer; John Bacon, ICC; Berti Proden, Secretary.

With the possibility of space traveling, new world interest has been focused on the mysterious secrets of the surrounding sky. The Astronomy Club of DeVilbiss fits into this popular field of study and has become one of the most interesting and educational organizations in the school. After forming this club in 1951, the members proceeded to learn many interesting facts about celestial bodies. This year, the club planned a well-rounded schedule with the help of advisers Miss Fredercia Hanson and Miss Fern Dickey. It included attending an astronomical lecture, making star charts and listening to reports from the members. They also attempted and succeeded in building a telescope. Anyone who is interested in astronomy and is willing to learn more about it may become a member of this club. Meetings are held on the first Tuesday at school and on the third Tuesday of each school month at the University of Toledo. The

Since the world has shrunk in size because of advanced transportation and communication, problems arising in any part, no matter how remote, effect all the nations of the world. The desire, therefore, of the members of the World Affairs Club is that we all know and understand world problems. To fulfill this desire, the club has speakers of world topics and has taken part in model councils and assemblies. Phyllis Jean Lowell, President, and other members meet on days prescribed by the cabinet at officers' meetings. Under the advice of Miss Rose Bloom, the World Affairs Club has discussed many new ideas, and made many new friends. The club, was formed in 1948 and known as the United Nations Club, has helped its members by giving them a chance to learn about and take part in model assemblies relating to world affairs. The only requirements to become a member are to be interested in world affairs as well as history and to have a "C" average in this subject.

DOLPHINS

Although the Dolphins were organized late in 1954, the group has accomplished a great deal in promoting better friendships and keener knowledge and appreciation in all types of athletics connected with the school. This year they got off to a fine start by planning and presenting several social, special interest, and money-making projects. Some of these activities were selling cans of peanut brittle, having roasts and skating parties, and establishing themselves on the school's football, basketball, tennis, and track teams. They also participated in athletic events within the organization. Meetings of the Dolphins are held bi-weekly in the members' homes on Thursday evenings with the presence of their adviser, Mr. Don Black. To become a member of the group you must have an unlimited interest in sporting events at DeVilbiss and a willingness to work with others. The Dolphin members have done service for their school by participating in and supporting all types of athletic activities, and by working hard to build closer and better friendships within the group based on good sportsmanship and fair play.

CHEVEAUX

Officers: Albert Yeager, Vice-President; Arlene Borgelt, President; Sandy Sauer, Treasurer; Mary Ann Stegeman, Secretary.

"We ride tonight!" This is the bi-monthly notice of the Cheveaux Riding Club. The purpose of the club is to promote better sportsmanship and horsemanship. Meetings, which were held the first and third Wednesday of each month, were to plan fun for the year such as their hayride and their Christmas dance, as well as to learn more about the art of riding. Howard Stables, in Lambertville, Michigan, was their destination on the second and fourth Monday of each school month during the year. By discussing horses —how they are bodily constructed, their temperaments, how to handle them, and how to judge a good horse—they learn not only to ride, but also to know horses. Under the splendid leadership of Arlene Borgelt, President, and their advisers, Mr. Clark Folgate and Mrs. Borgelt, the club has achieved many goals. By springtime even the beginners appeared to be fair riders and the members felt that they had spent a profitable year in Cheveaux.

EQUESTRIENNES

The girls in the Equestrienne Riding Club learned this year the skill and sportsmanship involved in learning to ride. With the help of their president, Claire Bame, and the instructor at the stable, the girls have learned to saddle and bridle a horse, as well as to ride him. In addition to the regular meetings, which are held every other Monday and Wednesday at the stable, the members meet in the library with their adviser, Miss Leah Schueren. Their activities this year included giving Thanksgiving and Christmas baskets, a treasure hunt on horseback, donation of a trophy for the Douglas Meadows Horse Show, and attending an out-of-town horse show. Other projects were making Valentine favors and coloring Easter eggs for orphans, drill teams, and spring clean-up at the stable. A "book-round-up" was held in which a book was collected from every member and then donated to an orphanage. The books were on a reading level from six to eleven years of age. As a result of this work, the girls have learned the true meaning of sportsmanship, and many of them have won ribbons and trophies in horse shows.

FAMILY LIVING

Any DeVilbiss senior may become a member of the Family Living Club. The club's purpose is to further education and service. The promotion of better family and home relations is paramount. Becoming acquainted with the social services of Toledo is also of vital interest. This year fun, education, and service were intermingled to present a program of many charitable and special interest events. These events included a picnic at Mrs. Luther's home in the fall at which a speaker from WTOD gave an interesting talk, a roast, and a Christmas party in the home of Mrs. Latta. The club's faculty advisers are Mrs. Jean Latta and Mrs. Blanche Luther, and its parent advisers are Mrs. Harold Richter and Mr. Paul Walling. Meetings are held twice each month in the United Brethren Church. Speakers for these meetings were from Alcoholics Anonymous, Child and Family Service, Lutheran Welfare, North Toledo Community House, and Religious Education. The Family Living Club has provided well-rounded education and social programs with results that should be helpful and beneficial throughout each member's life.

CHRISTIAN YOUTH

The purpose of the Christian Youth Club is to bring together students interested in church activity, Bible study, and Christian experience. Organized in 1948, the DeVilbiss club holds its meetings the first and third Tuesday evening of each month. The meetings include Bible reading and discussion, guest speakers, group singing, food, and fun. There is also a prayer meeting after school every Thursday in the room of the adviser, Miss Elaine Hirth. The members represent many churches and denominations. A few of them plan to go into training after graduation for some kind of full-time Christian service. As president at the beginning of the year, Jo Ann Powell put the club in motion. It was she who organized, as a CYC project, the reading of Scripture preceding the morning announcements. Because Jo Ann had too many points, Pat Skeldon, the vice-president, later took the presidency and assumed direction of the club. Under her leadership, they won a stairway award in the Christmas decoration contest.

SHARPS AND FLATS

Officers: Barbara Sunderman, Vice-President; Jerry Masters, Treasurer; Barbara Spross, ICC Representative; Dorothea Eitel, Secretary; Larry Kass, President.

Scintillating saxophones, delicate flutes, and the exotic oboe—all these instruments afford many hours of pleasant harmony for members of the musical organization. With talent encompassing almost every solo specialty in the realm of music, Sharps and Flats' members arrange a fine program for each other the last Sunday of every month. Larry Kass, president, aided by the club's advisers, Miss Elaine Hirth and Mr. Russell Brown, planned numerous activities. Among these were carolling at the Old Ladies' Home and Toledo Hospital. The club also held a Halloween party and attended almost all outstanding musical attractions passing through Toledo. In May, the club held its traditional farewell tea at the Toledo Museum of Art. New officers were installed at this event. Highlighting the Sharps and Flats' year were two travelling troups, reminiscent of the early vaudeville units, which "played the circuit" of two Toledo organizations each month during the second semester. Sharps and Flats offers the music lover an opportunity to appreciate music of all kinds and to express himself, for a major requirement for membership is to be able to perform.

DRAMATICS

The Dramatics Club organized three years ago, began this year with a reorganization meeting at which time the officers decided that new members would be accepted only through tryouts. Also, for the first time since the club was organized, they sponsored a workshop where a good time was had learning the various phases of dramatics. Their president, Karen Steude, with the assistance of their faculty advisers, Mrs. Margaret Hoffman and Mrs. Opal McFarland, and their parent advisers, Mrs. Whittier and Mrs. Steude, called the meetings to order on the first and third Wednesday of every month to discuss such projects as the Thanksgiving basket for a needy family, the Christmas play at the Lucas County Orphanage, and the play to raise money for the Student Council Convention. As for their social program, no one will forget the moonlight sleigh ride, or the workshops in February, the monthly trips to the Repertoire, or the senior banquet with which they ended another successful year in the interest of dramatics.

Although it was first organized as a girls' club not long ago, boys have been accepted as members this year. This year's membership consisted of fifty-seven boys and girls. Their purpose is to promote sportsmanship and fair play while enjoying the game of bowling. Meetings are held twice a month on the first and third Monday after school in the Colony Bowling Alley. The Bowling Club, under the leadership of their advisers, Mrs. McFarland and Mrs. Grace Smith, and their president, Joan Gardner, sponsored several projects during the year. These included the donation of a basket of food to a needy family at Christmas time and a banquet at the end of this year. Members of this club have benefited by learning to take constructive criticism, to play fairly, and as a result have become skillful participants in the sport of bowling.

DEBATE

The Debate Club, making its appearance this year, holds its meetings on the second and fourth Tuesday of each month, alternately at school and at the members' homes. The club organized and planned its programs for the year with the help of its president, Stuart Feldstein, and its adviser, Mrs. Margaret King. Any DeVilbiss student who will help the club members accomplish their purpose—to debate matters both current and interesting—may become a member of this active club. All of the students in the club strive to learn to think more intelligently and to be able to express their thoughts better. The members have held a hayride and a skating party this year, as well as trying to hold a debate at least once every two weeks. Class committees, commissions, the Student Council, Honor Roll, the Inter-Club Council, Deviltries and Revelries committees are just some of the other activities in which the Debate Club members participate. With the training received in the club in logical, orderly, and clear oral expression the members should be an asset to any committee.

AMICA

Amica, organized two short years ago here at DeVilbiss, has carried out an ambitious program this year. First they held an autumn hayride to further their purpose of promoting better friendship among the members. Next came their Christmas party and going caroling with the Key Club. So that they might raise funds for their annual spring formal dance, they held a bake sale. Left-over moments were spent making up Thanksgiving and Christmas baskets, and sending monthly CARE packages. For their many activities, they received the third place social award last year. Under the capable leadership of Nancy Osterhoudt, president, Mrs. Irene Little, parent adviser, and Miss Mildred Schmidt, faculty adviser, meetings were held on the first and third Tuesday of each month in the homes of the members, who all have a "C" average and willingness to work hard. "Amica," from the Spanish word "amiga" meaning friend, has created many of them in the past year and hoped to continue doing so in the years to come.

LES FEMMES

Les Femmes, one of the many social clubs at DeVilbiss, has been in existence for three years. The purpose of the club is to promote better social relationships among girls of freshman, sophomore, junior, and senior classes. The members of Les Femmes were busy this year planning their Christmas bake sale, the roller skating party, and a Jitney supper. The girls also held several parties, a Mothers' Tea, and a senior banquet. Membership requirements are a "C" average and an interest in planning and supporting social affairs. At seven-thirty o'clock on the first and third Tuesday of each month, the girls gather in a member's home for an evening of pleasure. The Chaplain, Karen Wilkens, opens each meeting with a prayer and then the meeting is turned over to the President, Marcia Herman. With the leadership of the three advisers, Mrs. Mennig, Mrs. Pugh, and Mrs. Scherer, the girls have been encouraged to get into more school activities and to get acquainted with their many classmates. The members agree that membership in Les Femmes has helped them to obtain social poise.

JUNIOR SORELLES

The new group of Junior Sorelles, chosen by the Senior Sorelles, have united under the capable leadership of President Ginny Sinclair. These girls planned and completed a year filled with activities which ranged from a New Year's Eve dance with the Q.D.'s, to charity projects and a slumberless party after a group attendance to the Senior Play. Their purpose is to maintain fair play and unity and to participate in activities beneficial to the school. On the second and fourth Tuesday night of every month the ring of their familiar voices was heard discussing and voting on different projects, with the presence of their adviser, Mrs. Robert Rettig. The Christmas decorations slowly disappeared from the windows when the Sorelles attacked them with strong elbows. These same girls endured a few sneezes as they dusted the trophy case in the front hall. The Junior Sorelles have had a successful year and sincerely hope that next year, as Senior Sorelles, they will have as many exciting projects and good times as they had this year.

SENIOR SORELLES

Officers: Martha Curtis, ICC Representative; Christel Froehlich, President; Marisue Skinner, Treasurer; Marie Ecker, Secretary; Mary Stewart, Vice-President.

Perhaps you have seen the girls of Senior Sorelles working together in activities around the school. If so you must have realized the close harmony and co-operation they have possessed since their founding in 1940. The informal meetings were held in the homes of one of the members the second and fourth Tuesday of each school month. It was here that the president Christel Froehlich and their advisers, Mr. and Mrs. Norman Pollman and Mrs. Max Froehlich, began to lead the girls from activity to activity. One of their first undertakings was that of inducting the juniors with a "C" average. It has always been up to the Senior Sorelles to choose the Junior Sorelles. Other projects have covered a range from a treasure hunt which sent them all over the city, a white elephant sale, a Halloween party, and cleaning out the trophy case. They also gave money to the March of Dimes. Now as graduation is approaching and they look back on two happy years as Sorelles, they realize the feeling of friendship and spirit of co-operation that was always with them.

JUNIOR FRAULEINS

One of the youngest of DeVilbiss's clubs is Junior Frauleins, organized just three years ago. This year the membership of twenty-nine consists of girls maintaining a "C" average who are interested in club activities. Following their purpose to help create social activity in the school, they have accomplished one social project and one service project each month. The meetings are held in the homes of its members on the second and fourth Tuesday evening of every month. Several of the activities enjoyed throughout the year by the Junior Frauleins, under the leadership of President Jerrie Beyer and their advisers, Mr. Warren Goode and Mrs. August Beyer, were a Jitney Supper in the home of Ginny Bernard, a Christmas party including a buffet supper and secret pal gift exchange at Jerrie Beyer's home, and a slumber party. These girls also sold mums at the Thanksgiving football game, put on a variety show at the Old Folks' Home, and for their Christmas charity project they gave a basket of food and toys to a needy family. The Junior Frauleins kept a well-balanced program of social and service projects.

SENIOR FRAULEINS

"Friendly" is the word for the Senior Frauleins. This group of girls meets the second and fourth Tuesday of each month at 7:30 P.M. in the homes of its members. It was in 1950 that this club was organized at DeVilbiss for the purpose of promoting friendly relations and helping the school by undertaking certain charitable and social projects which were strongly supported by the members. This year, President Charlotte Walls, together with assistance of their two advisers, Mrs. Neidlinger and Mr. Warren Goode, guided the Senior Frauleins in their many endeavors. Their social activities consisted of a Jitney supper, a White Elephant Sale, and a roast. As for their community projects they visited the Old Folks' Homes and the orphanage, and they sent a Thanksgiving basket to a needy family. Membership in the club is limited to senior girls who have maintained at least a "C" average in their studies and who have an active interest in the school as well as in the work of the club. It was a satisfying year in both social and service activities.

Under the leadership of their advisers, Mrs. Norman Pollman, Mrs. Albert Cox, and Mrs. Howard Leake, and President Sandy Cox, they have held such social events as a roast and treasure hunt, a dinner for their fathers, a party for orphans, and a progressive Christmas party. Other events included a Mother's Day Tea, Senior Banquet, donating a Thanksgiving basket and a Christmas basket to needy families, and a tax stamp drive. The club meets the first and third Tuesday of each month at 7:30 P.M. in members' homes. The girls in this club must have satisfactory grades and an interest in the club. Since its beginning in 1945, Sub-Debs has maintained a high standard of character by helping its members to strengthen and build friendships by working together. By its past history of successful years and its great number of members, in those years, Sub-Debs teaches that fun is achieved through many activities which include service for others.

The purpose of this club is to promote interest and good-will in the community and in the school. TRI-D SOCIAL

The Tri-D Social Club is formed of a group of girls interested in making and keeping friends by establishing a friendlier atmosphere in which to work and play. The club was organized in 1953 at DeVilbiss with the sole purpose of promoting friendship and good will among the members and it surely has accomplished its purpose. With Judy Whitaker as President, Mrs. E. Whitaker, Mrs. R. Foels, and Miss Dolans as advisers, and a group of enthusiastic girls, this has been one of their most active years. The club meets on the second and fourth Tuesday of each school month at 7:30 P. M. in the homes of members where there is no end of suggestions as to how to raise money or what to plan as their next function. Among their many activities were a bake sale, a white elephant sale, a skating party, a hayride, a lawn party, a card party, a Cinerama trip, a slumber party, and a Christmas party. THALIANS

Officers: Nancy Boza, Vice-President; Sally Bush, President; Barbara Bandfield, Secretary.

Are you a fan of Broadway plays and a junior or senior girl with at least a "C" average? If so, Thalian Literary Society would have been the club for you this year, since the study of plays was their project for the year. The members gave reports on several Broadway productions such as "Silk Stockings" and "South Pacific." To further acquaint themselves with literature they established a program where the junior members reported on topics from American literature and the senior members reported on English literature. New members were inducted at a candlelight ceremony following a progressive dinner. Supporting their school, they kept a vigil on cafeteria cleanliness and attended a basketball game as a group. Later in the year they presented sketches of American and English authors and held a slumber party to round out their program. President Sally Bush conducted meetings twice a month in the members' homes with the guidance of advisers Mrs. Richard E. Bush and Miss Mildred Schmidt.

PHILILETHEANS

Phililetheans is a girls' literary society to which any sophomore, junior, or senior with a "B" average or better is eligible to join. The club's purpose is to acquaint its members with the world's recognized creative achievements. The club meets on the first and third Tuesday of the month in the homes of its members. The club was organized in 1954 and has Miss Lucille Kerlin as its faculty adviser. The Phils have enjoyed a successful year together with a varied social and educational program. This included having a Mother's Tea, a slumber party, a splash party, a miniature golfing party, attending lectures at the Doerman Theater, and seeing the musical at the Paramount Theater, "Tea-House of the August Moon." They also read and discussed one of Shakespeare's plays. As President, Anne Early, and her efficient corps of officers strove to increase literary understanding and appreciation among the club's members. In return the club members responded unanimously, for the Phils believe that a well-rounded literary background is an asset in any career field.

PERICLEANS

The Periclean Literary Society, founded in 1901 at Central High School, came to DeVilbiss in November of 1931. Through the years it has maintained a fine name for all to be proud of. Meeting the first and third Thursday of each month in the homes of the members, the girls, with the help of their advisers, Miss Ruth Smith and Mrs. Gordon Roth, planned an active literary year. This included visiting the Repertoire Theater, reading and recording two plays, sponsoring the "Book of the Week," and going to a play at TU. Along with these activities two members at each meeting planned and presented a literary program. Besides doing literary work, the girls have had many other projects, such as, a Mother's Tea, selling programs at the Charleston game, and giving an Alumnae Tea. The Peries are very active in all school functions and take an active part in everything in which they participate. Under the fine leadership of their president Pennie Roth, the girls have truly enjoyed their activities in Peries and will remember them for many years to come.

The Zets really turned social workers this year by furnishing a family of nine with a complete Christmas. At the bi-monthly meetings on Thursday nights at 7:30 you would have found an enthusiastic and willing group of girls with "B" English average or better, gathered in a member's home. Community-minded, they sponsored a question and answer program with Congressman Thomas L. Ashley which was open to the public. Looking at their social program, Forum has had fun at a Christmas party, a hayride, a roast and a dance in March. Forum meets on alternate Tuesdays in the members' homes and plans their literary activities. A "C" average is required in English as well as being a sophomore, junior or senior boy. A friendly informal atmosphere is present at all "Q.D." meetings. Under the guidance of Mr. Harold Leininger, Adviser, and Dick Alexander, President, the boys plan their many projects and activities. Any sophomore, junior, or senior boy with a "C" average in English may sign up. Among the projects undertaken by the "Q.D.'s" were: a New Year's Eve dance with the Junior Sorelles, the Q.D.-Forum dance, "March Madness," attendance at jazz and other concerts, book reviews, skits at mass meetings, a hayride, their annual picnic, and athletic contests with rival clubs. All "Q.D.'s" are active in school affairs and large groups of Q.D.'s support all football and basketball games. Meetings are held in member's homes, and a spirit of friendly unity is attained. The Quill and Dagger Literary Society was organized about 1915 at Waite High School and moved to DeVilbiss seven years ago. Last year the club received the award for the best literary project.

The purpose of the Delphian Literary Society is to develop the minds of its members and to round out their high school life. This is done under the able direction of Jerry Mitchell, their president, and Mr. Dagher, their adviser. Although this society is in its first year at DeVilbiss, its ambitious program for the year included attending the Dave Burbech concert, sponsoring Rudy Ernest speaking on Modern Music, and other speakers at meetings, giving book reviews, and attending basketball games. This well-balanced program helped enrich the minds of its members and develop their interest in school life. The Delphians have donated funds to the Red Cross, put up Christmas decorations, and sent a letter to Congress concerning revisions in English grammar. All students who have a "C" average in all their subjects, especially in English, and have the approval of the members may join this society. Although only formed a little under two years ago, it has already risen to a high spot among the service clubs at DeVilbiss. Meetings are held alternately at the YMCA and in the homes of members who must be sophomore, junior, or senior boys approved by the principal. The Key Clubers have based their organization on helping their community and school and giving the members an opportunity to mature into responsible citizens. They started the year by helping the freshman become acquainted with the school by means of maps and information booths. Later, they sponsored such projects as an interchange with the London, Ontario Key Club, when two boys from Canada visited Toledo to help promote friendly relations; and during class elections, they sponsored an interrogation period which gave homeroom representatives an opportunity to become acquainted with the candidates and to ask them questions.

FRESHMAN HI-Y

This year, under the able leadership of President Rex Shaw and their adviser, Mr. Clark Ewing, the Freshman Hi-Y have completed a very unusual project. This was planting trees for Camp Storer. Also to become a more efficient club, they divided into six committees. Each of the six, social, service, constitutional, religious, athletic, and fund raising helped to plan a part of the year's program. To become a member, a boy must have a "C" average or better, and attend at least three meetings. These meetings are held at 7:30 on Monday evenings at the West Toledo YMCA. When the club was organized in 1955 at the YMCA, they chose as their purpose to help their members build better moral, spiritual, and physical bodies. One highlight of the year at which the members had a lot of fun was a hayride early in the fall. The boys of the Freshman Hi-Y have well fulfilled their purpose and they all feel that membership in this club has helped them to become better persons.

SENIOR Y-TEENS

Senior Y-Teens is an organization in which any senior girl may participate. The club was organized four years ago at DeVilbiss to help girls make new friends and learn to take part in their school activities. With the help of their faculty adviser, Mrs. Grace Knaggs, and their parent advisers, Mrs. File and Mrs. Ernsthausen, the members of the club try to have a social and service project each month. A Can-Can party, the sponsoring of a square dance, a splash party at the YWCA, a potluck supper, and field trips are just a few of the many social functions they have held. Some of their service projects have been a tea for all Freshman girls, giving canned goods to the Williston Mercy Home and Saint Anthony's Orphanage, and making favors for the Old Folk's Home at Thanksgiving and at Christmas. The senior Y-Teens meet on the second and fourth Tuesday of each month at 7:00 P.M. in a member's home. The members can graduate from high school with the firm belief that they have attempted to serve wholeheartedly their school and community.

JUNIOR Y-TEENS

The Junior Y-Teens, one of the many clubs organized by the Y.W.C.A., consists of girls who are interested in becoming better citizens. Membership in the club is open to any junior girl. Their purpose is service to the school and to the community. Some of the worthy projects sponsored by the club have been "adopting" a family to which they sent a basket of food and toys, sewing puppets for children in hospitals, sending clothes to children in Greece, and mailing magazines to Leyden University in Holland. For social and money making projects they held a jitney supper at the Y.W.C.A., a Christmas party for the newly initiated members, and organized several successful bake sales. Last year this deserving club received the third place award for service. With the able leadership of the officers and the adviser, Miss Elizabeth Papps, the club hopes to surpass last year's achievements. The girls are looking forward to their senior year in which time they hope to accomplish many projects in the field of service.

SOPHOMORE Y-TEENS

Officers: Karol Ludwig, ICC Representative; Marian Grover, President; Charlene Peugeot, Secretary; Joyce Dargin, Treasurer; Judy Bayha, Vice-President.

This year the Sophomore Y-Teens have based their club on helping members make new friends and teaching them how to serve their school and community. With their adviser, Miss Fern Dickey, the girls planned a full program for this year. Making favors for hospital trays, preparing holiday baskets, giving an orphan's party, and holding talent shows were the service projects for the year. The Jitney Supper, Mothers' Tea, and caroling were enjoyed by all. Taking girls from Charleston, West Virginia, into their homes for the weekend helped the members make more new friends, and helped prove Northern hospitality. Membership is open to all sophomore girls who are interested in taking an active part in the service of their community and their school. Meetings are held on Thursday after school in the homes of the girls. One of the finest jobs of making friends and promoting service projects was accomplished this year by Sophomore Y-Teens. They are certain that as upper classmen, next year's projects will be more numerous, and more enjoyable.

FRESHMAN Y-TEENS

What service organization continues through all four years of high school life? The answer to this is Y-Teens, which organizes in the freshman year and continues on until graduation. The Freshman Y-Teens is a group of Freshman girls who are interested in serving their community and school, and enjoy doing for others. The purpose of the club is to provide growth as a person; growth in friendship with all peoples; growth in knowledge and love of God. The girls meet on the second and fourth Thursday of each school month in Room 119. With their faculty adviser, Mrs. Margaret Sinclair, the girls planned a full program for this year. Service and money raising projects were just part of their program. Of all the clubs at DeVilbiss, the Y-Teens have done one of the finest jobs in helping girls to make friends, and in giving them the opportunity to promote service projects. The experience of their freshman year will enable them to plan and further succeed in their remaining years of Y-Teen membership.

SISCO

Officers: Verna King, Secretary; Carolyn Daler, President; Norma Snyder, Vice-President; Judy Warsaw, Corresponding Secretary.

Sisco, one of the largest and most active clubs in DeVilbiss, has again proved itself worthy of the title "service club." Heading the long list of service projects that the girls have accomplished are the making of shakers for the Charleston Game, the presentation of a painted tiger to the school, handing out basketball programs, and starting the new club, Voo-e-the-ans. The social events of the year consisted of the annual Christmas formal, a dance with Forum, a Mother's Tea, and their annual Senior Banquet. Every other Friday, meetings are held either in a member's home or at school. Sisco was organized in 1950 and its purpose is "to offer and give service to others and to promote friendships within the club." Only girls with a "C" average or better are eligible for the club. Under the leadership of Mr. Murphy, the faculty adviser, and its officers, Sisco has enjoyed a most progressive year. The members agree that in helping others they help themselves become better students and citizens.

PAY–A–EL–SA

Service for others, friendship among its members, active participation in all activities is what Pay-a-el-sa attempts to represent. Although it is a comparatively new club here at DeVilbiss, having been started in October, 1948, Pay-a-el-sa already has made a fine name for itself. The girls, meeting every other Friday in the homes of the members, planned many fine and useful projects with the assistance of their advisers, Mr. and Mrs. Norman Pollman, some of which were the adoption of two orphan boys, giving Thanksgiving and Christmas baskets, contributing to the March of Dimes with the proceeds of a bake sale the girls held, making favors for a hospital, and sending presents to an orphanage at Christmas. It is not all work and no play, for in the way of social affairs, Pay-a-el-sa presented a turn-about party, a Spring Formal, a camping trip, and a banquet honoring the graduating Seniors. For the last two years this club has had the honor of winning the Service Club Award, and they hope to keep up this fine record in the future.

COMMERCIAL

The DeVilbiss Commercial Club is a special interest organization for those who are interested in business as well as service. Organized at DeVilbiss three years ago, this club welcomes those taking business subjects who maintain a "C" average. The program for this year included a skating party, a Christmas party, and a pizza party, tours, and a Mother's Tea. A special project included typing a book for a physically handicapped girl. Each member has taken an active part in club and school committee work. As a result of working in the world of business and of meeting leaders of industry, they have improved their class-room knowledge. At the end of the year the club awarded one member and one chairman for his outstanding work during the year. The club has also helped its members by securing jobs for them at the YMCA. Its President, Karen Taylor, with the aid of its two advisers, Mrs. Legron and Mrs. Grace Smith, has led the club through a very successful year.

THADEVILEANS

Thadevileans, a club organized only this year, has succeeded, already, in capturing the respect and recognition of all other clubs. Under the capable leadership of its president, Ann Guerin, and its advisers, Mrs. Nixon and Mr. Warren Goode, Thadevileans has performed many fine service projects. These activities included giving Thanksgiving and a Christmas food baskets, making stuffed animals for an orphqnage, and providing entertainment at the Crippled Childrens' Home. To serve the school and community is the club's purpose. The projects the club has done around school include: painting numbers on the seats of Page Stadium, decorating the buses for the Charleston, West Virginia game, and cleaning the stadium after the Woodward game. The only requirements for joining the club are to be a sophomore girl with a "C" average and to be interested in helping others. Thadevileans has a membership of girls active in almost every phase of school affairs. The club has helped its members by teaching the girls how to work together and by forming new friendships.

Tale Of Athletics

This is a story that began more than two decades ago, a story of a high school and its athletic program, a story of fine young men with courage, determination, and the will to win. When the doors of DeVilbiss High School were opened in 1931, the athletic program was launched. In just twenty-five years that program has become the most powerful of all our schools. Many people said, "beginner's luck", when our football team of 1931 finished second in its very first season of city competition, but the record proves that this second place finish was not merely "beginner's luck" but rather an omen of things to come. For several years DeVilbiss made itself felt in all sports and won its share of championships. Still there were those who said that this young upstart school couldn't continue to be such a strong contender in all sports. However, in 1940, a foursome of DeVilbiss golfers went to Columbus, Ohio, and came back with the first state championship in the brief history of the school. DeVilbiss Tigers were rugged opposition on the football field, the baseball field, the cinder track, and the fairways. During the past twenty-five years winning championships has become a common thing at DeVilbiss. This then is the story which a great many people helped to write, a story to which all loyal sons of DeVilbiss can look with pride. This is the beginning of the story, for there will be future years of victory and glory of DeVilbiss which we look forward to with eagerness.

FOOTBALL

Tigers repeat as City Champions! These were the headlines on Friday morning after Hilton Murphy's Tigers subdued Libbey 27-13 for their third consecutive City Championship. Winning ten and losing none through the superb coaching of Hilton Murphy, Dave Hardy, and Tom Inman, the Tigers obtained the high rating during the season of fifth place in the State of Ohio.

The Tigers opened the season by beating Lakewood St. Edwards 13-6. Russ Wagoner and John Kinker did a fine job at the two end positions. The game was also brightened by the fine blocking of Dick Cosgrove. In their second encounter, the Bengals ripped Cleveland West by the score of 39-13. In their first city game they downed Waite 32-7. The game was paced by the blocking of Brian Johnson and Jerry Alfors. Macomber was the Tigers' next count of 40-7. Scott was next on the list as the DeVilbiss eleven had a harder time winning. After a hard-fought game the score read DeVilbiss 13, Scott 7. John Geisler did his usual good job of blocking. Taking on Central in their own stadium, the Tigers moved one step closer to the City Championship by whipping the Irish 26-0. In their game with Lima, DeVilbiss won by the score of 36-0. John Dresser's five touchdowns and Don Pollard's blocking were the highlights of the evening. In a game that attracted national interest, the Tigers downed Stonewall Jackson of Charleston, West Virginia 33-13. Fine backfield work was done by Ken Wodarski, Bob Schwyn, and Jim Gallagher. The Tigers had no trouble in achieving their ninth win of the season by ripping Woodward 47-7. Fine work was done in the backfield by Bob Curtis and Spencer Gilchrist. In the annual Thanksgiving day game with Libbey, the Tigers showed why they have lost only one game in the last three years. They spotted Libbey seven points and came back to win 27-13. Dick Haddad booted three extra points to complete the season with twenty-five, the largest total for a City League place kicker in many years. Superb backfield and line work was done by Ron La Gro and Jim Jeffery respectively. Interesting highlights of the year were the following: John Dresser was named to the National High School All-American team; John Geisler received honorable mention; John Dresser's 162 points made him the highest scorer in the state of Ohio; DeVilbiss placed eight players on the 1955 Blade-Times All City Team; DeVilbiss was tops in the city in sportsmanship thereby winning the sportsmanship trophy.

BASKETBALL

In his first year as varsity basketball coach, Tom Inman led his Tigers to a successful season taking second place in the city. Although hampered by an overall lack of height, the team compensated for it by its speed. This years squad, which is balanced by having eight seniors, four juniors, and one sophomore, comprised a record of nine wins and nine losses. Dick Rosswurm's average of 20.8 points per game, highest in city competition, John Wiley's average of 12.8 per game, and sophomore Don Mewhort's 11 point average gave the Tigers overall balanced scoring power. Although seven of the cagers nine losses were by five points or less, their spirt was never dampened. Dick Rosswurm was named to the Blade-Times All City team for the second consecutive year. John Wiley was named to the second team missing the first team by the narrowest of margins. With a tall, talented, lightweight squad coming up, DeVilbiss is expected to have a title contending team within the next two years.

Terry Peters (32) attempts a steal as John Wiley watches.

John Wiley goes up to tip a rebound to Dick Rosswurm.

This time DeVilbiss was on the winning end to the score of 9-2 with Don Harpster; infielders, Terry Nessif, Jerry Jarchow, Dick Schnelker; and outfielder Dave Schnorf, the Bengals accumulated a total of 110 runs, for an average of 5.79 per game while holding opponents to only 61 for an average of 3.21 runs per game. TRACK

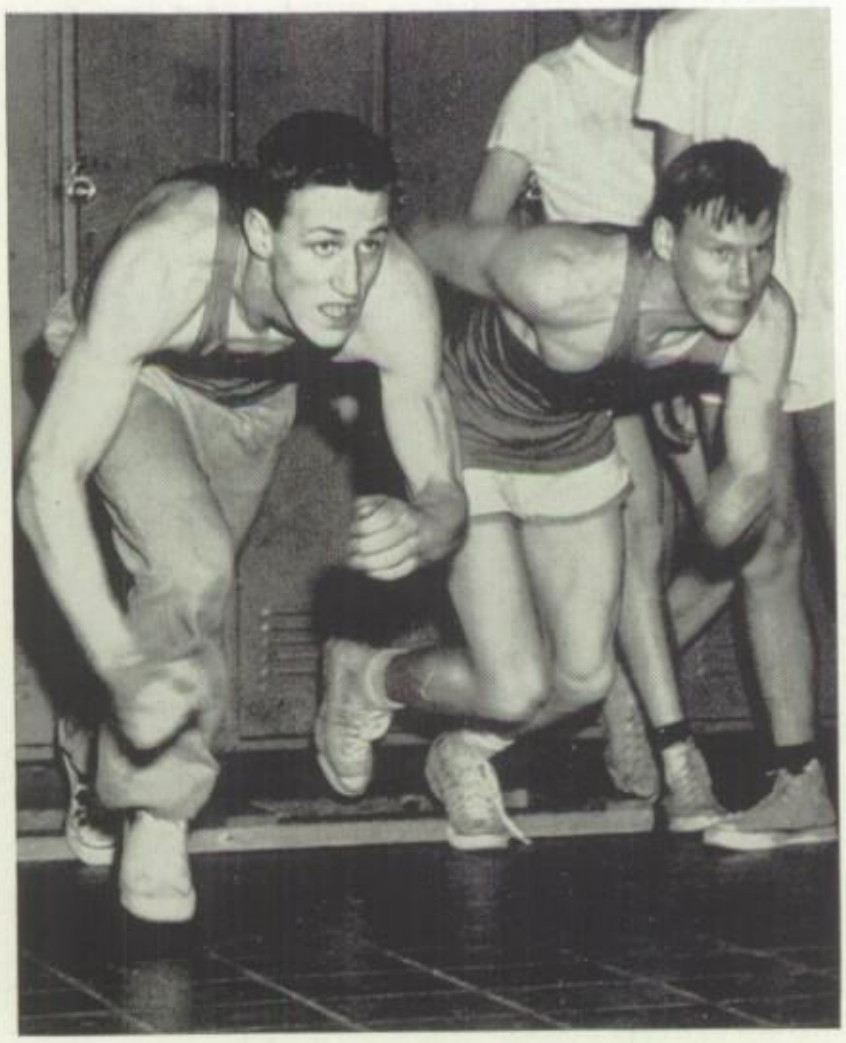
Many hours of practice are needed to build good track men.



Through hard work and determination, the 1955 track squad took second place in the city. They lost only one meet, which was to Libbey, the City Champions. In our own Night Relays, a strong DeVilbiss squad was nosed out in the final event and had to settle for second place. The afternoon and evening spectacle was close and thrilling up to the final event. In the state meet, DeVilbiss placed fourth in the broad jump. There were many under-classmen on the squad this year and by gaining a year's experience, they hope to do well next year.

Don Ansted, Jim Taylor, Larry Francke, Bob Decker, John Nolan, Don Portman.

BOWLING

NATIONAL LEAGUE

DeVilbiss High School's National League Bowling team, bowling at Auditorium Alleys, ended the season in fourth place. Chuck Small had the highest average of the keglers which was an impressive 155. He also had a 545 for the highest three game series of the season. The highest single game of the season was a 223 rolled by Dave Barkenquast. Captain Jim Kinker followed closely behind with a 217. One of the main factors in the team's many triumphs was its great spirit.

AMERICAN LEAGUE

Under the captaincy of Don Portman the American League Bowling team finished the season in third place in City League standings. The boys bowled every Saturday morning at 10:00 against the nine other teams in the league. This year's roster included seniors: John Nolan, Don Portman, Jim Taylor, Bob Decker, Larry Franke, and sophomore Don Ansted. Don Portman finished the season with the highest average on the squad, a respectable 172. Don Ansted, who is only a sophomore, rolled a 594 for the highest three game series. One of the main factors in the team's many triumphs was their prominent will to win.

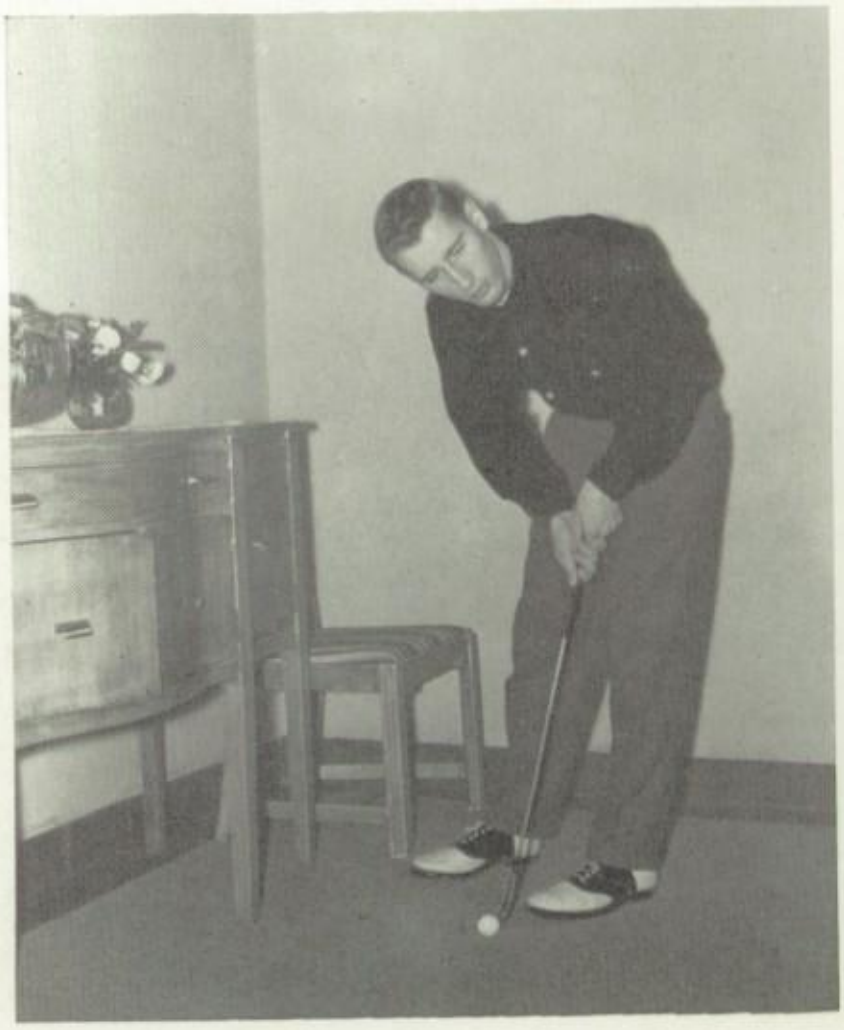
Don Portman rolls another strike.

STANDING: Dick Alexander, Tom Watkins, Don Pollard, Dick Coffin, John Nolan. KNEELING: Ken Lehr, Jim Houtz.

GOLF

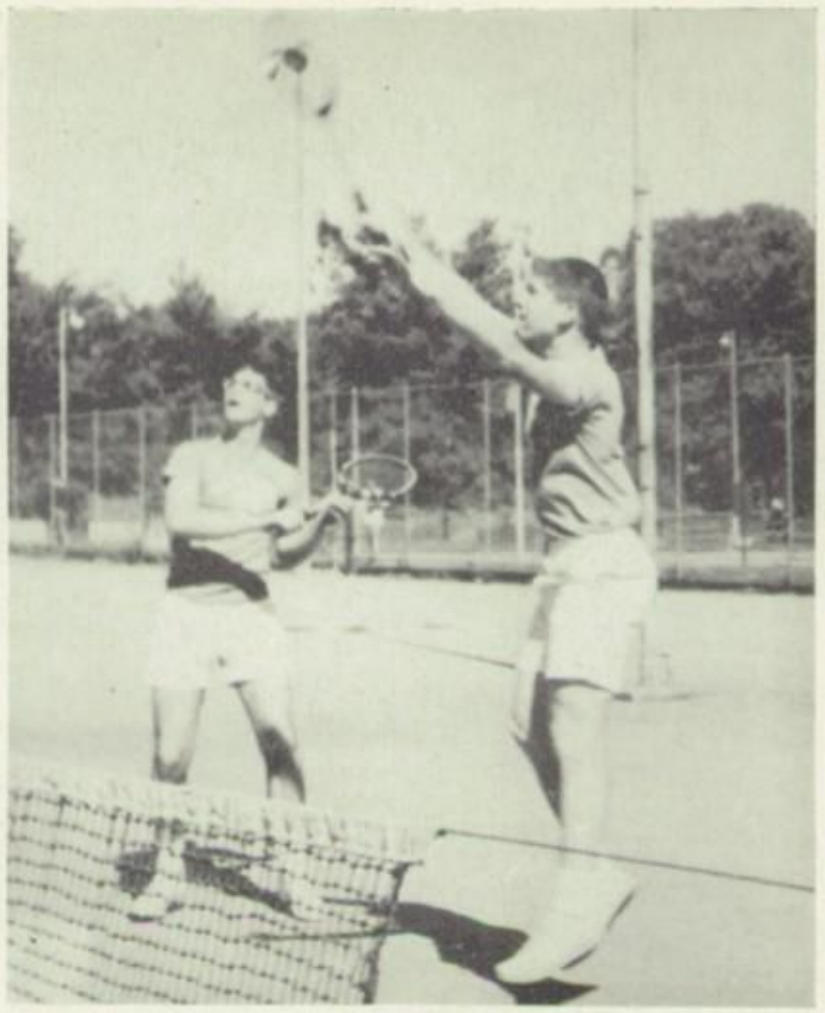
This year's DeVilbiss High golf team, under the captaincy of senior Ken Lehr, completed another season by compiling a total of four wins and six losses. By beating such teams as Waite, by the score of 23-1; Macomer, 13-11; Scott, 13-11; and Woodward, 24-0; they finished the season with a high rating in city competition. Members of the squad included seniors; Ken Lehr, Tom Watkins, and Jim Houtz, and juniors: Dick Coffin, John Nolen, Don Pollard, and Dick Alexander.

Dick Alexander believes that practice makes perfect, even if it is hard on the rug.



TENNIS

Coach Bob Longley's tennis team this year made an effort to recapture the City Championship. Sparked by the outstanding play of John Wiley, Bob Pavkovich, Tyrus Cottey, and Bob Dietsche, the netmen completed the season with twelve wins and only one defeat. Our one loss at the hands of Ottawa Hills was avenged by our spirited win over them in the second meeting. In doubles, Jim Holliday and Tom Markwood were undefeated while winning eleven and losing none. As this was the same team DeVilbiss had last year, the experience of playing together was a big factor in our wins. John Wiley went to the state meet in Columbus and advanced to the quarter-finals before being defeated.



Jeffery and Schwynn volley in doubles competition.

TOP ROW (L. to R.): Ty Cottey, Bob Schwyn, John Wiley, Jim Jeffery, Tom Markwood. ROW TWO: Dave Spring, Bob Dietsche, Mr. Bob Longley, Jim Holliday, Dick Cosgrove.

G.A.S. Officers: Historian, Helen Linkey; Secretary, Ruth Bauman; President, Sue Sweeney; Vice-President, Sandy Tank; Second Vice-President, Sandy Brower.

GIRLS ATHLETIC SOCIETY

The Athletic Society of DeVilbiss was founded in the year 1931 in order to promote good health and sportsmanship among the girls of this high school. The Girls Athletic Society is better known as G.A.S. and has long been the largest club at DeVilbiss. Any girl interested in sports may join. The club is organized into a point system. With a certain amount of accumulated points a girl can earn an award, such as a letter, numeral, or a gold locket, thus giving each girl a goal for which to strive. The first project that G.A.S. sponsored this year was a freshman roundup, to present the club to the girls. Later they had a splash party, a parents' night, and a very exciting basketball game which was held in the boys' gym for the entertainment of the school. They ended their year with a Senior Banquet at which the awards were presented. For their service project they made toys for children with Cerebral Palsy.

G.A.S. Advisers: Mrs. Mary Louise Hartman, Mrs. Barbara McQuilkin, Mrs. Mary Ellen Schaffer.

THE "GOOD OLD DAYS"

You've heard folks say, "Take me back to the good old days"! Well, if they're referring to the horse and buggy and kerosene lamps—they can have those days. If they're thinking of taffy-pulling parties and two-bit haircuts—they may have something worth talking about.

But when it comes to the advantages of our modern school architecture, we know that many of today's buildings are tops! You see, more and more school boards are paying careful attention to daylight and view—with clear glass in classrooms from sill to ceiling. Taxpayers like Daylight Walls, too. They are economical to build and to maintain. And when windows are of **Thermopane** insulating glass heating costs are lowered and rooms are quieter.

Tuf-flex tempered glass is used on school elevations next to playgrounds and in gymnasium windows. It is heat-strengthened to withstand three to five times more impact than regular plate glass of the same thickness.

Thermopane Insulating Glass

When reflecting upon the many advantages of this glass age we live in, we think you'll agree that the good new days are better!
